Northeast Washington Housing Solutions
Drug & Crime Policy
Property Management Division

POLICY STATEMENT

Northeast Washington Housing Solutions (NEWHS) is dedicated to increasing safe and affordable housing, and providing opportunities for persons experiencing barriers to housing. NEWHS leads the community in assisting tenants with affordable housing needs. Tenants of NEWHS owned/managed properties are held to reasonable levels of personal and civic responsibility. Within the provisions of law and program regulations, Northeast Washington Housing Solutions will deny or terminate housing to those determined to be or those who have been involved in illegal drug-related, violent criminal activity, and/or other criminal activity.

DEFINITION

Denial of housing will be warranted if:

- Any household member has been convicted of any felony crime within the past three-(3) years. A three (3) year period must be unsupervised time and crime-free.
- Any household member has been convicted of any drug-related criminal activity within the past three (3) years. If the drug is Methamphetamine the applicant must provide documentation of successfully participating in a court supervised rehabilitation program.
- Any household member has been evicted from housing because of drug-related criminal activity, within the past three (3) years. (Lifetime ban for manufacturing of Methamphetamine)
- In the absence of a conviction, there is otherwise “reasonable cause to believe” any household member is or has been involved in illegal drug-related or other criminal activity.
- Any household member is subject to a registration requirement under a state sex offender registration act.
- Any household member who is engaging in, or has engaged in (during a reasonable time before the admission decision) violent criminal activity; other criminal activity that would threaten the health, safety, or right to peaceful enjoyment of the premises by other tenants; or other criminal activity that would threaten the health or safety of the NEWHS, contractor, or agent of the NEWHS.

Note: A plea of “no contest” shall be considered as a conviction. NEWHS is not soliciting information from you relating to your prior arrest history, however, in determining whether or not an individual has engaged in prohibited conduct (e.g. drug or other criminal conduct), evidence of such conduct sufficient to deny application shall be determined by a preponderance of the evidence without satisfying the standard of proof used for a criminal conviction. Arrest and/or conviction of an individual shall not be required to support a

determination to deny application.

Eviction Proceedings will be warranted if:

- Any household member is arrested for or convicted of any felony crime in, on, or off the leasehold premises.
- Any household member is arrested or convicted of any drug-related criminal activity, in, on, or off the leasehold premises.
- Any household member has been evicted from housing because of drug-related criminal activity, within the past three (3) years.
- In the absence of an arrest or conviction there is otherwise “reasonable cause to believe” any household member, or guest, is or has been involved in illegal drug-related or other criminal activity, in, on, or off the leasehold premises.
- Any household member is subject to a life time registration requirement under a state sex-offender registration act.
- Any household member, or guest, is currently engaging in, or has engaged in during a reasonable time: violent criminal activity; other criminal activity that would threaten the health, safety, or right to peaceful enjoyment of the premises by other tenants; or other criminal activity that would threaten the health or safety of NEWHS, owner, or any employee owner, contractor, or agent of NEWHS.

Note: A plea of “no contest” shall be considered as a conviction. In determining whether or not an individual has engaged in prohibited conduct (e.g. drug or other criminal conduct), evidence of such conduct sufficient to support eviction shall be determined by a preponderance of the evidence without satisfying the standard of proof used for a criminal conviction. Arrest and/or conviction of an individual shall not be required to support a determination to evict.

APPLICATION SCREENING PROCEDURES:

Criminal background checks will be completed for each adult family member applying for housing, including live-in aids. The background checks will be completed by Washington State Patrol and/or a screening company. Additional background information may be obtained from the Prosecutor’s Office, Police Department or Sheriff’s Department, or from any other Law Enforcement Agency. Occasionally, criminal background information may be obtained from a Prosecutor’s Office or Law Enforcement Agency outside our local jurisdiction. If there is reason to believe that a minor has been convicted, NEWHS shall have the right to investigate such conviction history and this policy shall apply. Such checks shall be secured before the household is determined suitable for admittance into a property or community.

The decision regarding approval or denial of an application will always be left to the sound discretion of the Portfolio Manager or staff person(s) he/she may designate. It is the goal of Northeast Washington Housing Solutions to only accept applicants who will be able to meet the

essential requirements of tenancy and who will not adversely affect the health, safety, quiet peaceful enjoyment, and welfare of other tenants, and management staff. The following guidelines are intended to assist and guide the decision-makers in approving or denying applications.

Evidence of any member of the applicant household having engaged in felony criminal activities will be grounds for taking further screening action as described. Northeast Washington Housing Solutions' approval or denial of an application will be based on the criminal activity engaged in, and is not dependent upon any action or inaction by any Law Enforcement Agency, District Attorney, or Court. However, evidence of arrest conviction for a crime shall be sufficient proof that particular criminal activity was engaged in for the purpose of taking action to terminate existing tenancies.

An applicant household will be automatically denied if an applicant has a conviction of any felony within the last three- (3) years, or any drug-related criminal activity with the last three (3) years unsupervised.

Note: If an applicant is subject to a registration requirement under a state sex-offender registration program, they shall be permanently prohibited from admission to Northeast Washington Housing Solutions' residential real estate.

Once the criminal background report has been reviewed and served its intended screening function, it will be destroyed to protect the privacy of the persons involved. Destruction of the report shall take place within a week of approval of assistance.

INVESTIGATION AND TERMINATION OF OCCUPANCY PROCEDURES:

In order to optimize the capacity of the Housing Authority to appropriately terminate occupancy when evidence of illegal drug-related or other criminal activity exists, the NEWHS staff will maintain open lines of communication with the County Prosecutors, Federal and Local Law Enforcement Agencies in our service area. NEWHS shall provide on-going training for its staff to appropriately identify and handle reports of alleged drug-related or other criminal activity by household members.

All allegations of illegal drug activity or other criminal activity on the part of a household, or guests, will be referred initially to the Portfolio Manager. The Portfolio Manager or designee will perform a review of existing NEWHS records on the household. The Community Supervisor may also be contacted in an attempt to determine what information he/she may have regarding the situation and what response is planned.

This limited investigation is intended to determine whether there may be reasonable cause to believe that any illegal drug activity or any other criminal activity has taken place and whether it may involve a tenant household. If an arrest has been made, such reasonable cause standard has been met and eviction proceedings will begin.

Further, eviction proceedings will take place if NEWHS receives Notice pursuant to RCW §

59.18.075, from a Law Enforcement Agency that a tenant, or a member of the tenant's household, or guest, has been arrested for a drug-related criminal activity or violent criminal activity, including unlawful use or threatening another tenant with a firearm or deadly weapon, and/or physical assault upon another person on or near the rental premises.

The Portfolio Manager will determine, in the absence of an arrest, what additional investigative steps, if any, should be taken by NEWHS. Such investigative procedures may include, but are not limited to:

- Contact with the appropriate enforcement agency.
- Review of criminal records for adult family members.
- Review of Police Investigative Reports.
- Contact with other Agencies. (DSHS, etc.).
- Inspection of the Premises.
- Contact with and solicitation of evidence from: Neighbors; Employees; Relatives; and Friends.
- Review of Postal Records.

Should staff need technical assistance in the performance of any investigation or assistance in interpreting crime-related information, the NEWHS Fraud Investigator may be consulted.

At final disposition, all notes and evidence gathered are filed in the tenant file. If the investigation resulted in an eviction, the Portfolio Manager will complete a "Family Investigation Form" to be placed on top of the other paperwork in the file related to the case, which summarizes the investigative steps taken up the other date of termination. A copy of the form is placed in a special folder, which is maintained for purposes of system review and evaluation.

Complainants may receive information regarding the outcome of the NEWHS investigative process by contacting either the Director or Assets or the Portfolio Manager. It should be noted, however, that confidential family information will not be released.

DECLARATION OF UNDERSTANDING:

I hereby declare under penalty of perjury pursuant to the laws of the State of Washington that I have read, or had read to me, the above policies relating to drug activity and criminal activity and hereby agree to incorporation of said policies as material terms to any rental agreement I now, or later, enter into with NEWHS. I understand that engaging in drug activity and/or criminal activity may cause the denial of my application for tenancy and/or eviction from my tenancy.

APPLICATION ATTACHEMENT
TAX CREDIT PROPERTIES

Thank you for applying for housing at _____. We are an affordable housing community under the Section 42 Tax Credit Program. Certain rules apply that may not apply at other properties. The following is information pertaining to Tax Credit properties:

In general, no changes to a qualified household should be made with-in the first 6 months of the household’s lease. This applies to adults only – minors and/or live-in aids may be added to the household at any time. After the first six months, the Resident may request adult additions to the lease. Whether or not such household additions are approved by the owner depends on provisions of the property and/or program requirements.

When calculating maximum allowable income (which determines program eligibility), as a general rule the household size includes all full-time residents, plus children residing in the home **more than fifty percent** of the time. However:

- Foster children are not included
- Unborn children are not included
- Live-in attendants are not included
- Children living more than 50% outside the home are not included
- Unborn children and children who are in the process of being adopted are considered household members for purposes of determining unit size and income limits, but their unearned income is not counted in determining annual income.

It is common for more than one family to share custody of a child. When more than one family shares custody of a child, the family with primary custody or with custody at the time of initial certification or annual recertification may claim the child to determine “household size”. If there is a dispute about which family should claim the dependent, the “owner” will refer to available documents such as copies of court orders, DSHS documents, or an IRS return showing which family claimed the child for income tax purposes.

I (We) acknowledge that I (we) have read and understand the above. Furthermore, I (we) understand that fraud is a crime and punishable by up to 10 years in jail and a \$10,000 fine.

PLEASE KEEP THIS INFORMATION FOR YOUR RECORDS

In January 2006 the Violence Against Women and Dept. of Justice Reauthorization Act (VAWA) was signed into law.

The purpose of the Act is to:

- Reduce violence, dating violence, sexual assault, and stalking
- To prevent homelessness of the victims of such acts
- To protect victims who reside in Section 8 and LRPB units (and other programs)
- To ensure victims have access to criminal justice system without jeopardizing their housing

How this affects you is that VAWA protects participants, tenants, and family members of participants/tenants, who are victims of domestic violence, dating violence, or stalking, from being evicted or terminated from housing assistance based on acts of such violence against them.

The law provides that criminal activity directly relating to domestic violence engaged in by a member of a participant's household or any guest or other person under the participant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights, if the participant or an immediate family member of the participant's family is the victim of or threatened victim of that abuse. The Act also provides that incidents of actual or threatened domestic violence will not be deemed serious or repeated violations of the lease and will not be considered "good cause" for termination of assistance, tenancy, or occupancy rights of a victim of such violence.

However, the Act does not limit the landlord's authority to terminate your lease when the landlord is able to demonstrate there is an actual and imminent threat to other tenants, employees, or others providing services to your residence or the complex you live in.

If you feel you are being evicted from housing or terminated from housing assistance due to domestic violence, dating violence or stalking, please contact your Eligibility Specialist at NEWHS immediately. You will be required to complete certification and/or provide alternate documentation to verify your claim.
