PLEASE KEEP THIS INFORMATION FOR YOUR RECORDS

In January 2006 the Violence Against Women and Dept. of Justice Reauthorization Act (VAWA) was signed into law.

The purpose of the Act is to:

- Reduce violence, dating violence, sexual assault, and stalking
- To prevent homelessness of the victims of such acts
- To protect victims who reside in Section 8 and LRPB units (and other programs)
- To ensure victims have access to criminal justice system without jeopardizing their housing

How this affects you is that VAWA protects participants, tenants, and family members of participants/tenants, who are victims of domestic violence, dating violence, or stalking, from being evicted or terminated from housing assistance based on acts of such violence against them.

The law provides that criminal activity directly relating to domestic violence engaged in by a member of a participant's household or any guest or other person under the participant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights, if the participant or an immediate family member of the participant's family is the victim of or threatened victim of that abuse. The Act also provides that incidents of actual or threatened domestic violence will not be deemed serious or repeated violations of the lease and will not be considered "good cause" for termination of assistance, tenancy, or occupancy rights of a victim of such violence.

However, the Act does not limit the landlord's authority to terminate your lease when the landlord is able to demonstrate there is an actual and imminent threat to other tenants, employees, or others providing services to your residence or the complex you live in.

If you feel you are being evicted from housing or terminated from housing assistance due to domestic violence, dating violence or stalking, please contact your Eligibility Specialist at Spokane Housing Authority immediately. You will be required to complete certification and/or provide alternate documentation to verify your claim.
