MEMORANDUM

DATE: August 22, 2022
TO: Board of Commissioners
FROM: Pam Parr, Executive Director
SUBJECT: Request for the Spokane Housing Authority to Enter into an Agreement for Project Based Vouchers for Mirabeau Townhomes Project

Recommendation

SHA staff recommend that the Board of Commissioners adopt Resolution #771 authorizing the Executive Director to proceed with the execution of an Agreement to Enter into a Housing Assistance Payments Contract (AHAP) with Mirabeau Townhomes, LLC, to place project-based vouchers at the project known as Mirabeau Townhomes located in the City of Spokane Valley.

Background

Mirabeau Townhomes, in partnership with the Spokane Housing Authority, desires to execute an AHAP thereby formalizing the commitment to provide 36 project-based vouchers. On September 27th, 2021, the SHA Board Commissioners passed a motion of support to project-base 36 units for the project known as the Mirabeau Townhomes. The project will be located on TBD Euclid Avenue, Spokane Valley, WA 99027, with the parcel numbers of 55082.0105 and 55082.0106, which spans over 12-acres.

The Mirabeau Townhomes project has been specifically designed to meet the housing needs for a diverse socio-economic community. The complex will consist of a total of 71 units (+1 for the resident manager) and will serve households ranging from 0%-60% AMI. In addition to serving a wide range of income levels, Mirabeau will assist households that are literally homeless, at imminent risk or simply wanting a change to their current living situation. This model is ideal as it seeks to serve various households and does not overly concentrate extremely low-income families in one area. Supportive Services will be provided by SNAP, and Mirabeau Townhomes property management has shown a consistent desire to serve their tenants by providing community resources when needed. Additionally, Mirabeau Townhomes will hire a full-time employee to serve as their Resident Coordinator, who will serve as the bridge between SNAP (and other social services) and tenant households. Mirabeau Townhomes also has strong relationships with CCEW, Supportive Living through Spokane County, Frontier Behavioral Health and several other agencies which support vulnerable individuals/families transitioning out of homelessness.

This project will boast a Resident Center, a playground, and a substantial amount of dedicated green space. The Resident Center is over 3,200 square feet and will house a laundry facility, workout room, free Wi-Fi, a learning and business center with computers, a media room, television and a dining area. Also provided to all tenants will be covered and uncovered parking at no additional cost.

The 36 PBV's will support 8 one-bedrooms; Twenty-six two-bedrooms and 2 three-bedrooms. Unit sizes will range from 676 sq. ft. for 1-bedrooms to 1,209 sq. ft for their 3-bedrooms. All units are equipped with high efficiency heating and air conditioners, washer dryer hook-ups, dishwashers, and refrigerators. The City of Spokane Valley has had substantial growth over the last decade and is faced with the same dilemma as Spokane: lack of affordable housing for community members whose incomes are either fixed or below 60% AMI. This development is

near a variety of services including public transportation, employment, schools, grocery stores and medical services.

Construction is scheduled to be completed in late summer of 2023. The applications submitted by Mirabeau Townhomes and subsequently approved by the Housing Trust Fund and the Washington State Housing Finance Commission are in the possession of SHA and are available to the Board upon request.

Policy

Consideration #1- Owner Proposal Selection Procedures

The Commonwealth Agency was awarded commitment funding by the Housing Trust Fund on January 28, 2022. Because this project was subject to a competitive process, noted below, SHA was not required to solicit proposals by way of a RFP. This project therefore qualifies for PBV consideration in accordance with 24 CFR 983.51(b) and SHA's HCV Administrative Plan, which states:

The SHA must select PBV proposals by either of the following two methods.

- *SHA request for PBV Proposals. The SHA may solicit proposals by using a request for proposals to select proposals on a competitive basis in response to the SHA request. The SHA may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.*
- *The SHA may select proposals that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program or supportive services program that requires competitive selection of proposals (e.g., HOME and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance. The PHA need not conduct another competition.*

Consideration #2- PBV Program Limitation

SHA is permitted to project-based up to 30% of its total voucher allocation (10% excepted units + 20% other PBV units). SHA will place the 36 Mirabeau Townhome units under the 20% PBV cap. SHA is currently project basing its full 10% excepted unit cap and therefore Mirabeau PBV's will fall under the 20% cap. This project will bring the total 20% Cap to 3.55% of the available 20% cap; therefore, SHA is thus able to consider the request from Spokane Housing Ventures in accordance with 24 CFR 983.5 and SHA's Administrative Plan which states:

The project-based voucher (PBV) program allows PHAs that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to take up to 30 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. PHAs may only operate a PBV program if doing so is consistent with the PHA's Annual Plan, and the goal of deconcentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

The SHA will operate a project-based voucher program using up to 30 percent of its authorized units for project-based assistance. The Executive Director will have the discretion to determine the level of PBV.

Consideration #3- Site Selection Standards

The proposed project is located in Census Tract 132.02. Based on the 2020 American Community Survey 5-Year Estimate Report, found on the US Census Bureau's website, the poverty rate hovers around 9.1% (margin of error +/- 4.6%). This percentage falls within the recommended 20 percent or less threshold and therefore meets the objectives and mission of the agency's site selection process without the need to consider exceptions as explained in SHA's HCV Administrative Plan which states:

The SHA may not select a proposal for existing, newly constructed or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless the SHA has determined that PBV assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities. The standard for deconcentrating poverty and expanding housing and economic opportunities must be consistent with the SHA Plan under 24 CFR 903 and the SHA administrative plan.

SHA Policy

It is the SHA goal to select sites for PBV housing that provide for deconcentrating poverty and expanding housing and economic opportunities. In complying with this goal the SHA will limit approval of sites for PBV housing in census tracts that have poverty concentrations of 20 percent or less.

Consideration #4-Exceptions to Cap On Number of PBV Units in Each Project

25 Percent per Project Cap [24 CFR 983.56]

In general, the SHA may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

If a project contains 25 or fewer units, the PHA may place every unit in the project under the PBV HAP contract.

Exceptions to 25 Percent per Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]

A PHA is not limited with respect to the number of units in a project it can make available for an excepted category or categories. A PHA may designate 100% of the units in a project for occupancy by an excepted category (or categories).

Pursuant to Notice PIH 2017-21, codified at 24 CFR 983.56 (b)(1) and (2), exceptions are allowed and PBV units are not counted against the 25 percent or the 25-unit per project cap if:

- The units are exclusively for elderly families; or
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project

As mentioned above, this project will offer supportive services in two distinct ways: households may engage with SNAP Homeless Services or Mirabeau Townhomes' Resident

Coordinator can also assist PBV subsidized households with connecting to community services. Our Administrative Plan outlines in Chapter 17 II-F what services should be offered to participant families and the services outlined by CCEW meet this threshold. Additionally, the households chosen from Coordinated Entry will be actively experiencing homelessness.

Since requested units (36) are specifically designated for homeless households and supportive services are available to all families receiving PBV assistance in the project, SHA is authorized to place every unit in the project under the PBV HAP contract.

Consideration #5-Subsidy Layering Requirements [24 CFR 983.55, Notice PIH 2013-11 and FR Notice 2/28/20]

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state or local agencies, including assistance such as tax concessions or tax credits.

The Washington State Housing Finance Commission submitted a Certification Letter in July of 2022 affirming that the Mirabeau Townhomes project does not combine excessive public assistance.

Conclusion

SHA staff recommend that the Board of Commissioners adopt resolution authorizing the Executive Director to proceed with the execution of an Agreement to Enter Into a Housing Assistance Payments Contract (AHAP) with Mirabeau Townhomes, LLC to place 36 project based vouchers at the project known as Mirabeau Townhomes. All documentation submitted by Mirabeau Townhomes, and relied upon by SHA Staff to recommend approval, is available for Board inspection upon request.

1.14 Protection of In-Place Families

- A. In order to minimize displacement of in-place families, if a unit to be placed under Contract is occupied by an eligible family on the proposal selection date, the in-place family must be placed on the PHA’s waiting list (if they are not already on the list) and, once their continued eligibility is determined, given an absolute selection preference and referred to the project owner for an appropriately sized unit in the project.
- B. This protection does not apply to families that are not eligible to participate in the program on the proposal selection date.
- C. The term “in-place family” means an eligible family residing in a proposed contract unit on the proposal selection date.
- D. Assistance to in-place families may only be provided in accordance with the program regulations and other HUD requirements.

1.15 Termination of Agreement and Contract

1.16 Rights of HUD if PHA Defaults Under Agreement

If HUD determines that the PHA has failed to comply with this Agreement, or has failed to take appropriate action to HUD’s satisfaction or as directed by HUD, for enforcement of the PHA’s rights under this Agreement, HUD may assume the PHA’s rights and obligations under the Agreement, and may perform the obligations and enforce the rights of the PHA under the Agreement. HUD will, if it determines that the owner is not in default, pay Annual Contributions for the purpose of providing housing assistance payments with respect to the dwelling unit(s) under this Agreement for the duration of the HAP contract.

4. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing assistance program.
5. If the property where the contract units are located is subject to a lien or security interest securing a HUD loan or mortgage insured by HUD and:
 - a. The owner has failed to comply with the regulations for the applicable HUD loan or mortgage insurance program, with the mortgage or mortgage note, or with the regulatory agreement; or
 - b. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with the HUD loan or HUD-insured mortgage.
6. The owner has engaged in any drug-related criminal activity or any violent criminal activity.

B. PHA Remedies

1. If the PHA determines that a breach has occurred, the PHA may exercise any of its rights or remedies under the Agreement.
2. The PHA must notify the owner in writing of such determination. The notice by the PHA to the owner may require the owner to take corrective action (as verified by the PHA) by a time prescribed in the notice.

3. The PHA's rights and remedies under the Agreement include, but are not limited to: (i) terminating the Agreement; and (ii) declining to execute the HAP contract for some or all of the units.

C. PHA Remedy is not Waived

The PHA's exercise or non-exercise of any remedy for owner breach of the Agreement is not a waiver of the right to exercise that remedy or any other right or remedy at any time.

1.18 PHA and Owner Relation to Third Parties

A. Selection and Performance of Contractor

1. The PHA has not assumed any responsibility or liability to the owner, or any other party for performance of any contractor, subcontractor or supplier, whether or not listed by the PHA as a qualified contractor or supplier under the program. The selection of a contractor, subcontractor or supplier is the sole responsibility of the owner and the PHA is not involved in any relationship between the owner and any contractor, subcontractor or supplier.
2. The owner must select a competent contractor to undertake rehabilitation or construction. The owner agrees to require from each prospective contractor a certification that neither the contractor nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in contract by the Comptroller General or any federal Department or agency. The owner agrees not to award contracts to, otherwise engage in the service of, or fund any contractor that does not provide this certification.

B. Injury Resulting from Work under the Agreement: The PHA has not assumed any responsibility for or liability to any person, including a worker or a resident of the unit undergoing work pursuant to this Agreement, injured as a result of the work or as a result of any other action or failure to act by the owner, or any contractor, subcontractor or supplier.

C. Legal Relationship: The owner is not the agent of the PHA and this Agreement does not create or affect any relationship between the PHA and any lender to the owner or any suppliers, employees, contractor or subcontractors used by the owner in the implementation of the Agreement.

D. Exclusion of Third Party Claims: Nothing in this Agreement shall be construed as creating any right of any third party (other than HUD) to

enforce any provision of this Agreement or the Contract, or to assert any claim against HUD, the PHA or the owner under the Agreement or the Contract.

- E. Exclusion of owner Claims against HUD: Nothing in this Agreement shall be construed as creating any right of the owner to assert any claim against HUD.

1.19 PHA-Owned Units

Notwithstanding Section 1.18 of this Agreement, a PHA may own units assisted under the project-based voucher program, subject to the special requirements in 24 CFR 983.59 regarding PHA-owned units.

1.20 Conflict of Interest

- A. Interest of Members, Officers, or Employees of PHA, Members of Local Governing Body, or Other Public Officials
 - 1. No present or former member or officer of the PHA (except tenant-commissioners), no employee of the PHA who formulates policy or influences decisions with respect to the housing choice voucher program or project-based voucher program, and no public official or member of a governing body or State or local legislator who exercises functions or responsibilities with respect to these programs, shall have any direct or indirect interest, during his or her tenure or for one year thereafter, in the Agreement or HAP contract.
 - 2. HUD may waive this provision for good cause.
- B. Disclosure

The owner has disclosed to the PHA any interest that would be a violation of the Agreement or HAP contract. The owner must fully and promptly update such disclosures.

1.21 Interest of Member or Delegate to Congress

No member of or delegate to the Congress of the United States of America or resident-commissioner shall be admitted to any share or part of the Agreement or HAP contract or to any benefits arising from the Agreement or HAP contract.

1.22 Transfer of the Agreement, HAP Contract, or Property

A. PHA Consent to Transfer

The owner agrees that the owner has not made and will not make any transfer in any form, including any sale or assignment, of the Agreement, HAP contract, or the property without the prior written consent of the PHA. A change in ownership in the owner, such as a stock transfer or transfer of the interest of a limited partner, is not subject to the provisions of this section. Transfer of the interest of a general partner is subject to the provisions of this section.

B. Procedure for PHA Acceptance of Transferee

Where the owner requests the consent of the PHA for a transfer in any form, including any sale or assignment, of the Agreement, the HAP contract, or the property, the PHA must consent to a transfer of the Agreement or HAP contract if the transferee agrees in writing (in a form acceptable to the PHA) to comply with all the terms of the Agreement and HAP contract, and if the transferee is acceptable to the PHA. The PHA's criteria for acceptance of the transferee must be in accordance with HUD requirements.

C. When Transfer is Prohibited

The PHA will not consent to the transfer if any transferee, or any principal or interested party, is debarred, suspended, subject to a limited denial of participation, or otherwise excluded under 2 CFR part 2424, or is listed on the U.S. General Services Administration list of parties excluded from Federal procurement or nonprocurement programs.

1.23 Exclusion from Federal Programs

A. Federal Requirements

The owner must comply with and is subject to requirements of 2 CFR part 2424.

B. Disclosure

The owner certifies that:

1. The owner has disclosed to the PHA the identity of the owner and any principal or interested party.

2. Neither the owner nor any principal or interested party is listed on the U.S. General Services Administration list of parties excluded from Federal procurement and nonprocurement programs; and none of such parties are debarred, suspended, subject to a limited denial of participation, or otherwise excluded under 2 CFR part 2424.

1.24 Lobbying Certifications

- A. The owner certifies, to the best of the owner's knowledge and belief, that:
 1. No Federally appropriated funds have been paid or will be paid, by or on behalf of the owner, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of the Agreement or HAP contract, or the extension, continuation, renewal, amendment, or modification of the HAP contract.
 2. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the Agreement or HAP contract, the owner must complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- B. This certification by the owner is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352.

1.25 Subsidy Layering

- A. Owner Disclosure

2.1 Training, Employment, and Contracting Opportunities

- A. The project assisted under this Agreement is subject to the requirements of section 3 of the Housing Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. The owner shall carry out the provisions of section 3 and the regulations issued by HUD as set forth in 24 CFR part 135 and all applicable rules and orders of HUD issued thereunder prior to the execution of this Agreement. This shall be a condition of the Federal financial assistance provided to the project, binding upon the owner, the owner's contractors and subcontractors, successors and assigns. Failure to fulfill these requirements shall subject the owner, the owner's contractors and subcontractors, successors and assigns to the sanctions specified by this Agreement, and to such sanctions as are specified by 24 CFR part 135.
- B. The owner shall incorporate or cause to be incorporated into any contract or subcontract for work pursuant to this Agreement in excess of \$100,000 the following clause:

1. The work to be performed under this contract is subject to the requirements of section 3 of the Housing Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3 shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
2. The parties to this Agreement agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this Agreement, the parties to this Agreement certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
3. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, and shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
4. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135

require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

6. Pursuant to 24 CFR §135.90, recipients of HUD financial assistance that is subject to Part 135 requirements, are required to submit Section 3 Annual Reports on Form HUD-60002 to the Office of Fair Housing and Equal Opportunity (FHEO). This form must be submitted electronically and can be found at www.hud.gov/section3.
7. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 405e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible: (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprise. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising;

layoffs or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, or national origin.
3. The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided by or at the direction of the Government advising the labor union or workers representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor of will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and with the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the rules, regulations, or orders, the contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions as may be imported and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor or as otherwise provided by law.

7. The contractor will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Government may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Government, the contractor may request the United States to enter into such litigation to protect the interest of the United States.
- B. The owner agrees to be bound by the above nondiscrimination clause with respect to his or her own employment practices when participating in federally assisted construction work.
- C. The owner agrees to assist and cooperate actively with HUD and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the nondiscrimination clause and the rules, regulations, and relevant orders of the Secretary of Labor, to furnish HUD and the Secretary of Labor such information as they may require for the supervision of such compliance, and to otherwise assist HUD in the discharge of HUD's primary responsibility for securing compliance.
- D. The owner further agrees to refrain from entering into any contract or contract modification subject to Executive Order No. 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the nondiscrimination clause as may be imposed upon contractors and subcontractors by HUD or the Secretary of Labor pursuant to the Executive Order. In addition, if the owner fails or refuses to comply with these undertakings, HUD may take any or all of the following actions; cancel, terminate, or suspend in whole or in part this Agreement; refrain from extending any further assistance to the owner under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from the owner, and refer the case to the Department of Justice for appropriate legal proceedings.

2.3 Reserved

2.4 HUD—Federal Labor Standards Provisions

The owner is responsible for inserting the entire text of section 2.4 of this Agreement in all construction contracts and, if the owner performs any rehabilitation work on the project, the owner must comply with all provisions of section 2.4. (Note: Sections 2.4(b) and (c) apply only when the amount of the prime contract exceeds \$100,000.)

(a)(1) Minimum Wages. (i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project) will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made part hereof regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section l(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-

1321)) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)(A) Any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination;

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, D. C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

(C) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(B) or (C) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determinations or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program: Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractors under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and

on account of the contractor or subcontractor to the respective employees to whom they are due.

(3)(i) Payrolls and Basic Records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section l(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section l(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

*(ii)(A) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD the PHA. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included in weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g. the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at:
<http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor*

site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to HUD, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i) and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution

under section 1001 of Title 18 and section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

(4) Apprentices and Trainees.(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the

contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employee and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted

under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal Employment Opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act Requirements. The contractor shall comply with the requirements of 29 CFR part 3 which are incorporated by reference in this Agreement.

(6) Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in section 2.4(a)(1) through (11) and such other clauses as HUD or its designee may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section 2.4(a).

MEMORANDUM

DATE: 08/22/2022
TO: Board of Commissioners
FROM: Brian Jennings
SUBJECT: Authorization for Development Staff to identify and complete applications appropriate for funding the redevelopment of the Hifumi-en Apartments.

Summary:

Hifumi-en Project is on a track for redevelopment beginning in 2023. Staff is seeking Board authority for the Development Director to make applications for funding opportunities that will arise to support this project. This will can/will include both Housing Trust Fund (September 13, 2022), Low Income Housing Tax Credit Allocation application (Fall/Winter), etc.

Background

Redevelopment of the Hifumi-en Apartments is an important final element for update of SHA's portfolio. This project will include replacement of the facility at 926 West 8th Avenue planned for a 2023 start date. In advance of that, numerous funding opportunities will be available that may be conducive to financing the Hifumi-en project. In 2021, the Board approved funding to complete limited feasibility studies for the redevelopment of Hifumi-en. Building upon that work, the next step is to seek funding and financing opportunities to advance the concept into a real project. Acceptance of funding will still need to be brought forward to the Board of Commissioners for final approval. This motion of support is ONLY for making applications for funding.

Conclusions/Recommendation

Recommend the Board of Commissioners issue a motion approving staff to complete applications for the purpose of funding redevelopment of the Hifumi-en apartments.

SPOKANE HOUSING AUTHORITY

RESOLUTION NO. 772

**RESOLUTION OF THE BOARD OF COMMISSIONERS TO AUTHORIZE SHA
TO SUBMIT AN APPLICATION FOR THE WASHINGTON STATE HOUSING
TRUST FUND FOR FUNDING OF THE HIFUMI-EN APARTMENTS
REDEVELOPMENT PROJECT**

WHEREAS, the Spokane Housing Authority (the Authority), is a public body corporate and politic duly organized and existing under and by virtue of the laws of the State of Washington; and

WHEREAS, the Authority has determined that pursuing capital updates and/or replacement of its current portfolio of properties aligns with its mission; and

WHEREAS, the funding round is open for applications for the Washington State Housing Trust Fund; and

WHEREAS, the Hifumi-En apartments have had extensive capital needs analysis completed showing substantial capital costs for extensive repairs in the near term; and

WHEREAS; a wholesale renovation of the existing building would require relocation of the entire population of Hifumi-en; and

WHEREAS, because of the capital investment needed, the age of the facility, and the need to avoid relocation of tenants during a renovation.

NOW, THEREFORE BE IT RESOLVED that the Board of Commissioners of the Spokane Housing Authority hereby authorize the Executive Director, or her designee, to apply for Housing Trust Funds for the redevelopment and replacement of the Hifumi-En apartments.
