

Information on the Project Based Voucher Program

All Pre-Applications must be dropped off at 25 West Nora, Spokane, WA 99205 to our Customer Service Staff or placed in the Dropbox outside the building, you may also mail your application through the United States Postal Service. Applications may also be dropped off at the Apartments listed in this application, but you are encouraged to submit them at the Spokane Housing Authority location.

The Project Based Voucher Program (PBV) provides rental assistance to specific housing units that are contracted between the building owners and SHA. Unlike Housing Choice Vouchers, the Project Based Voucher rental assistance is tied to the specific housing unit. However, after a family completes one year of occupancy in the project-based unit and is considered to be in good standing with regard to program obligations, the family may request to transfer to the Housing Choice Voucher (HCV) program. Families transitioning from PBV to HCV will be given priority over other applicants on the HCV waiting list. If no Housing Choice Vouchers are available at the time of the family's request, the family will be placed on the top of the HCV waiting list.

The following pages include a list of project-based voucher properties, several of the properties listed have specific eligibility criteria, and while you may request to be added to any of the enclosed properties, final eligibility for tenancy will be determined at the time that a unit becomes available. If at that time your family is determined to be ineligible for tenancy at that specific property, you will be notified in writing and allowed the opportunity to appeal the denial.

Things to Remember

Please remember that your wait for assistance may be long. We cannot predict when your name will reach the top of the waiting list.

You must keep us informed, in writing, within 30 days of any changes to your contact information. It is your responsibility to make sure that the mailing address and contact information that you provided is reliable.

If, at any time, you do not respond to SHA's requests for information or scheduled appointments by the due dates established in mailed correspondence, or if at any time correspondence sent to you by SHA is returned as undeliverable, without a forwarding address, and we are unable to reach you by phone or email, then we will be unable to make any further attempts to contact you and your name will be removed from the waiting list.

Please print neatly in ink. All fields are required. **Incomplete, emailed, photocopied, or faxed applications will not be accepted.** If you are already on our tenant-based Section 8 waiting list your record will be updated using the information that you provide below. Next Steps

Once Spokane Housing Authority receives your completed request to apply to the Project Based Waiting lists, SHA will add your name to the waiting list(s) that you have chosen in the order of the time and date that SHA receives your pre-application request.

As units become available, the property will contact SHA to request an applicant for their vacant units. SHA will send the next available applicant to the property for their initial pre-eligibility.

You will be contacted at that time to confirm that you are still interested in living at that particular property, and then the property will conduct a screening to determine your eligibility to live there.

If you are considered eligible at the property, you will then need to complete a Project Based Voucher application packet and submit that packet to SHA for eligibility screening. If you are denied by the property, then you will need to file an appeal with the property.

Upon confirmation of eligibility at the property, SHA will then determine if you are eligible for the Project Based Voucher Program. If you are eligible, a Project Based Briefing will be scheduled at SHA. Once the briefing is completed and the initial HQS inspection has passed, you will be required to sign a one-year lease with the property. If you are denied by Spokane Housing Authority, you will be sent a denial letter and will be eligible to appeal the denial.
